

2024 Auditions *in* New York

October 17–18

APPLICATIONS DUE: **AUGUST 6**

APPLY ONLINE AT: **sullivanfoundation.org**

The Sullivan Foundation supports early career opera singers who show significant promise. Prizes are awarded through live auditions; singers are selected for auditions through online applications that include videos of two arias in contrasting styles and languages with piano.

Applicants should have finished their academic training and must document a recent or upcoming professional solo engagement. There is no age limit, but the Foundation is not seeking singers who already have well-established solo careers. There are no application or audition fees. Limited travel reimbursement assistance is available for singers traveling to New York.

“
The Foundation did everything possible to set the artist up for a successful audition.

Sullivan Award winners receive \$10,000 and are eligible for continuing role preparation grants, a unique aspect of the Foundation's commitment to early career singers. More than 1,000 singers have earned Sullivan funding since 1957, after the Foundation was established through the estate of William Matheus Sullivan.
